

# THE WILDCAT ATHLETIC CLUB

The WildCat Athletics Department is proud to introduce the WildCat Athletic Club (WAC)!

Contributions made to the WAC will help enhance students' experiences as WildCats, while providing a higher level of the support that is needed for all students who participate in intercollegiate athletics, intramurals, and physical education classes. Not only will the funds generated by the WAC create new opportunities and benefits for current WildCats but, at the same time, will build enthusiasm for pride in WildCat athletics.

In addition to the personal satisfaction you will receive from supporting the students at Randolph College, the WildCat Club provides membership benefits as a way of saying thank you for your support. Please refer to the chart below for information regarding contribution levels and corresponding benefits.

Become a member of the WAC TODAY! Fill out and return the membership form at the bottom of this page.
